

SIX REASONS WHY OBSERVE WOULD BE A FANTASTIC ADDITION TO YOUR SCHOOL!

1) SAVE HOURS ON ADMIN

Drastically reduce the time you spend on administration like typing up, filing and printing.

2) ALWAYS UP-TO-DATE

Need live reports and records? Why wait? Observation and self-evaluation records are available immediately to authorised users.

3) CREATE YOUR OWN

Set up your own fields, focus areas (our name for aspects of teaching), include prompts and capture the information most important to you.

4) ANALYSIS - DONE!

Comprehensive reports provide a wealth of information for Senior Leaders, Governors, MAT Boards and Inspection Teams.

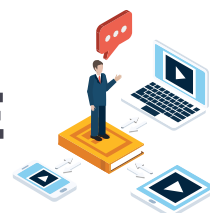

5) POWER TO THE TEACHERS!

Teachers can quickly pick up Observe with minimal training requirements.

6) SHARING MADE SIMPLE

Upload evidence like photos in just a few clicks, all linked to aspects of teaching, Teacher Standards or anything else you want.

“SISRA Observe has been pivotal in transforming our quality assurance and self-evaluation processes. The application has given us the licence and creativity to build and develop bespoke templates with personalised success criteria aligned to our school improvement plan. Instant data generation from Observe has facilitated the subsequent planning of differentiated CPD to enhance our core purpose - high quality teaching and learning in our school.”

PROFESSIONAL DEVELOPMENT AND QUALITY ASSURANCE

EVALUATE

Whole school, faculty and individual self-evaluation gives all staff the opportunity to contribute ideas and evidence.

OBSERVE

Observations, work scrutiny, learning walks, lesson study and more can all be created using your own formats and frameworks.

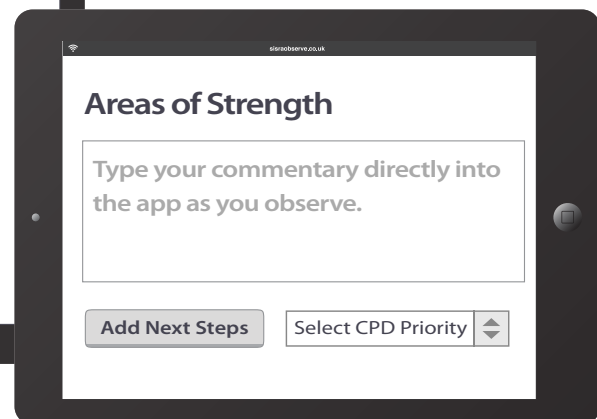

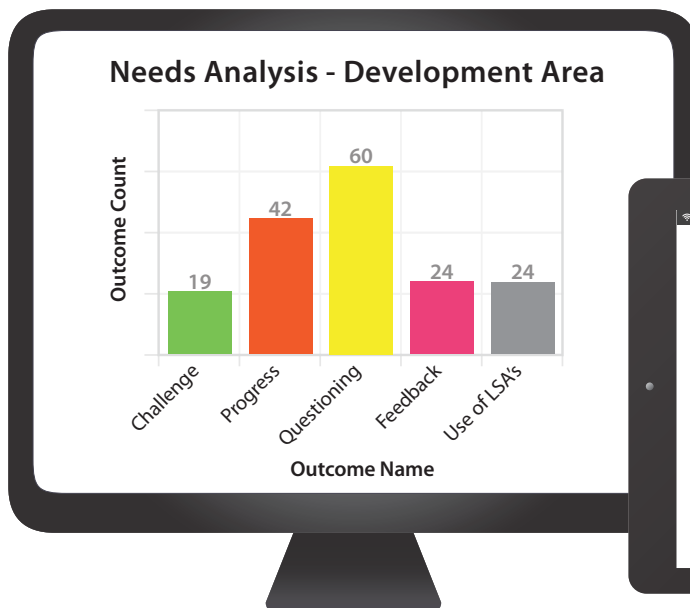

NEXT STEPS AND FOLLOW-UP ACTIONS

Help all staff in school to keep track of the large number of tasks.

CPD impact tracking and analysis to ensure support and spend is directed to the right places.
